

EQUINE MICROCHIP CLINIC

Saturday, September 21, 2019
Stillwater, OK

2:30 to 4:30 at Large Animal Hospital Parking Area
OSU Boren Veterinary Hospital
2065 W. Farm Road, Follow Signs to Large Animal Hospital

First come, first served: Last check-in time 4:30

The **Oklahoma Large Animal First Responders (OLAFR)** team is providing a low cost equine microchip clinic hosted by the **Payne County Animal Response Team**.

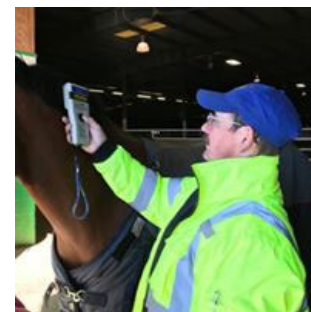

The cost is just \$30 per equine and includes preparation and insertion of the chip by the OLAFR Veterinary Officer and staff, plus lifetime registration of the chip. The chip used is the Equine MiniChip from MicrochipID Systems, Inc.

To register, download forms, pay to reserve your chip or request reservation without pre-payment, please go to: <https://www.paynecart.org/equine-microchip-clinic-sept-21-2019.html>

For more information on equine microchipping, National Preparedness Month, and FAQ go to <https://www.paynecart.org/equine-microchip-clinic-sept-21-2019> AND <http://www.olافر.org//MC-FAQ>

<https://microchipidequine.com/>

Prepay to reserve your chip!

We will need 10 prepaid reservations to guarantee the clinic. If clinic is cancelled you receive a full refund. <http://olafr.org/payment>
