Has the business contact(s) had any FEMA training? _____

Does the contact(s) hold any Certification or Licenses?: Yes or No If so, please list them and verifying data.

Please list any Resources can you and/or your business could provide and/or share? (At this point this is NOT saying you will provide these items/resources, but ones you would consider in the event of an emergency.) Examples of a resource could be: Truck, trailer, feed, halters, lead ropes, leashes, feed dishes, corral, crates, litter pans, plastic sheeting, generator, trash cans and liners, physical locations such as a barn, field, and/or boarding facilities etc..

Some Resources are donated while others come at a price which is often reduced. What kind of terms would we be looking at for your Resource? (This is not a contract, but a list of resources you would consider providing in the event of an emergency.) _____

Frequently Asked Questions and Information:

Q: What is a County Animal Response Team (CART)?

A: Animal health care professionals and other interested parties and animal lovers working together to help the community prepare for, mitigate (lessen the intensity of), respond to, and recover from, emergencies, disasters, and subsequent animal health issues, by having a group of properly credentialed and trained volunteers and resources available and ready should the need arise.

Q: Who can be a Team member?

A: Anyone over 18 can be a full team member. Special jobs & tasks can be developed for Junior Team members.

Q: What is required to be a Team member?

A: All team members must go online to OKMRC.org and complete a series 4 of online FREE training courses and a background check.

Q: What is a Resource?

A: A Resource is somebody or something or a business that is a source of help or information. A Resource can be a reserve supply of equipment, supplies, person and/or a location. Examples of a resource are: T of a boarding, grooming and/or training facility, truck and livestock trailer, parcel of land or livestock holding areas or services.

Some Resources are donated while others come at a price which is often reduced.
